About Us

Speedigo Engineering & Technology

At Speedigo Engineering & Technology, we pride ourselves on innovation, precision, and a relentless commitment to excellence. With our factory nestled in Kolkata, West Bengal, India we have established a robust PAN India presence, ensuring our services are within reach at many prime cities across the nation.

Global Reach, Local Expertise

Expanding horizons beyond the borders, we are now exporting our meticulously crafted golf carts and vintage buggies to esteemed destinations like UAE, Saudi Arabia, Dubai, and more. This global expansion showcases the trust and reliability that Speedigo embodies.

Masters of Restoration & Fabrication

Our prowess extends far beyond mere manufacturing. At Speedigo, we are capable of undertaking all forms of restoration and fabrication works. Whether it's breathing new life into a vintage gem or crafting a custom solution, our team of experts stands ready to exceed expectations.

Golf Cart Rental Services

Enhancing experiences on the green, we provide top-notch golf cart rental services. Designed for comfort, efficiency, and style, our carts ensure every golfing journey is as smooth as a swing on a perfect fairway.

At Speedigo Engineering & Technology, we don't just build products; we craft experiences. Join us in the journey towards excellence. Contact us today to explore our range of products and services, and let's drive towards success together.

SpeediGo Service Network

After building an overwhelming network in INDIA, we have every reason to spread our wings and reach beyond boundaries.

With existing seven distribution centers & more to come across the globe, you will soon see your beloved ® SpeediGo brand vehicles running on major foreign soils.

SpeediGo

Service Offerings

Annual Maintenance (AMC)

Post our initial period of warranty, we offer a non-comprehensive annual service package for each vehicle or fleet.

On-Call Service

We offer on call service for not only ® SpeediGo brand vehicles but also for any other brand or type of electric vehicles your organization might already have.

Golf Cart Rental

We offer short as well as long term lease and operation contracts with or without an operator at your place of operation. Please contact us for a tailored solution for your in-campus activities or events.

Spare Parts & Accessories

We offer spare parts, battery & accessories for not only ® SpeediGo brand vehicles but also for any other brand or type of electric vehicles your organization might already have.

Table Of Comparison

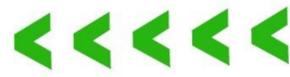

<u>Points</u>	<u>SpeediGo</u>	<u>Other Brands</u>	<u>Benefits</u>
Chassis	Made of Aluminium or Steel with anti corrosive, electro deposited epoxy base coating for rust prevention	Low graded Iron chassis, simple cutting & hand process	Long life & better strength with no rusts
Body	Ultralight special injection moulding PP material, anti-collision aging resistance	Low graded FRP or PP plastic	Long life & better strength with professional finish
Motor	Full capacity AC motor	Under capacity DC BLDC motor	Better performance
Controller	Full capacity AC controller	Under capacity controller	Better performance
Colour	Metallic colour with all necessary process and variety	Powder coating or single process	Long life & professional finish
Rim & Tyre	Tubeless tyres (18*8.5-8 / 155/70R12) with Alloy rims	Local tyres with light weighted Iron rims	Long life & better strength with no rusts
Electrical Components	All approved & original components (lights, horn etc) sourced from branded OEM	Non-branded or duplicate components with random sourcing	Less current consumption & better performance
Brake System	Electronic braking system - Automatic slowdown / prevention of rollback on slopes or on steep gradients	No such safety protocols are followed	Better & safe driving experience
Grills & Bumpers	Chrome plated ABS graded designer grills with Steel guards	Mostly not available	Better looks & safe driving experience
Windshield	Toughened glass laminated windshield with automotive finish and wiper motor	Mostly normal glass or Acrylic sheets are used as Windshield	Long life & better strength with better finish
Seats	High quality foam cushions with Artificial Leather & Wooden structure	Low Quality seat with Rexin cover on top	Long life & better comfort with better finish
Standard Accessories	Rear view mirrors, Indicator, Headlights, Tail lights, Tool kit, Jack, Service Manual, Roof handles, Reverse buzzer, Spare Key & Colour Spray Can	Mostly not available or extra chargeable	Better customer experience
