AN INTRODUCTION TO BRAND SPEEDIGO

Speedigo Engineering & Technology is a leading manufacturer of premium electric golf carts and smart mobility solutions. We deliver innovative, eco-friendly vehicles designed for comfort, safety, and performance. Our commitment to quality and sustainability is driving the future of green transportation. Speedigo—Engineering Mobility, Empowering Tomorrow

SPEEDIGO, a flagship brand of **Speedigo Engineering & Technology**, is redefining smart mobility solutions across India and beyond.

With a strong presence in multiple states and expanding into international markets like Nepal, we are committed to delivering **innovation-driven electric mobility**.

Backed by a state-of-the-art 20,000+ sq. ft. manufacturing facility in Kolkata, SPEEDIGO stands apart with its in-house designed chassis, proprietary moulds & dies, and a robust service ecosystem.

Our strength lies in complete control over design, manufacturing, and after-sales support. This integrated approach ensures superior quality, reliability, and consistency in every product.

We specialize in manufacturing premium golf carts, providing rental services, and creating bespoke vintage mobility solutions. Our vehicles are designed to deliver comfort, reliability, and exceptional performance.

Our dedicated in-house AMC service team ensures prompt and reliable support for every customer. We maintain a ready stock of genuine spares, tyres, and batteries to minimize downtime.

**RELIABILITY
